

Our Mission is to Give Hope, Save Lives and Reduce Suffering

Dear First Last Name,

Congratulations! You have begun your first step toward joining the WeHeal Foundation team in serving the great cause of CrowdHealing!

Over the next few weeks the screening and selection committee will review your application and essay. Should there be a match between your interests, qualifications, or skills and our current needs we will contact you with additional information on the next steps.

Please take the time to learn more about the WeHeal Foundation and internship by visiting us at weheal.org and weheal.org/weheal-student-internship-program. Thank you again for your interest in the WeHeal Internship Program. We look forward to learning how we can work and heal together!

Sincerely,
