

Our Mission is to Give Hope, Save Lives and Reduce Suffering

The WeHeal Foundation Internship Program

Thank you for your interest in the WeHeal Internship Program! WeHeal Interns are the backbone of our global medical advocate platform, and essential to the individual communities we serve. This program allows students, healthcare workers, and passionate volunteers to gain valuable experience, develop their networks, and advance their careers while serving the great cause of CrowdHealing!

Each internship is custom designed to the individual and their unique talents and areas of interest, and interns can choose between 3-6-9-and 12-month programs.

Some of the many benefits interns will receive include:

1. Serving in a WeHeal community that they are passionate about
2. Working with other students around the world, networking with top doctors and researchers, and developing an invaluable network that will help facilitate their careers
3. Assisting patients directly and making a positive difference in their lives
4. Developing a variety of applicable skills that will differentiate them from other students and make them a more desirable candidate for graduate school or the work force
 - a. Online Network and Community Development
 - b. Leadership and Team Building
 - c. Expertise in Specific Medical Specialties
 - d. Communication and Writing Skills
 - e. Social Media Outreach Skills
5. Letters of recommendation from superiors and peers
6. Certificate of Completion and Gratitude for The WeHeal Foundation – For Their Dedicated Service to the Global Advocate Platform.

“The projects and communities you serve will give hope to countless people whose lives have been affected by medical issues. On behalf of the world community, we at the WeHeal Foundation would like to sincerely thank you for your consideration and participation in this most important undertaking!” “Alone, we struggle! Together, we heal!” Eric Drew – Founder – The WeHeal Foundation.
